

Cooking with Literacy and Math

An after-school enrichment program that will allow students to have fun with reading and math. This program will be offered by Mrs. Gohmann on Mondays from 3:00 pm to 4:00 pm in KG. This program will focus on helping students to enjoy reading and math by cooking fun snacks and treats that go along with Picture books and Math concepts. Each class will feature a math concept or popular story book, and a delicious recipe that goes along with the story or concept. We will discuss safety rules, explanation of basic cooking skills, and a talk about healthy eating habits. Each recipe comes with allergy substitution suggestions so please let me know if your child has an allergy.

Registration for this after school enrichment class will be for the entire trimester. I can take "Drop-ins," but I need to know by the Friday before they plan to attend to ensure I have enough ingredients.

The cost for the 3rd Trimester of Cooking with Literacy and Math will be \$105. This fee will include all the ingredients for each class. Payment is due at the beginning of each trimester.

1st Trimester Dates will be:

Monday – March 4, 11, 18, 25

Monday – April 8, 15, 29

If you are interested in your child participating in this program, please complete the bottom of this form and return it to Mrs. Gohmann along with your payment by March 1st. Please make your check payable to Andrea Gohmann. If you have any additional questions, please feel free to contact Mrs. Gohmann at agohmann@stmm.org.

Thank you,

Mrs. Gohmann
